Cinema Camp at Marymount College

AGE 16+

Dates: Summer

Located Near Los Angeles, California

This program introduces participants to the exciting process of creating a short film.

Students study cinema production right next door to America's entertainment headquarters! Teachers have included Columbia University instructors and directors and technicians who've worked on major Hollywood productions, including projects with George Lucas and Ray Liotta. Hollywood insiders teach students how to write a short screenplay and draw storyboards. Participants also learn basic camera moves and improve their skills with 'on location' shooting.

After the shoot, students help edit and add effects to their film and then present their work to other students in a movie showcase. Students also experience a behind-the-scenes look at the film industry with visits to major movie studios and other fascinating sites related to the entertainment business.

The Marymount Cinema Camp is enhanced with 3.5 hours of daily ESL instruction taught by engaging instructors. Or substitute a fascinating class in film history taught by an expert in the subject.

Finally, students will enjoy a tour of Hollywood and may even see a movie star at the famous Hollywood & Highland complex—home of the Academy Awards!

TOEFL/SAT Preparation Camp at Lock Haven University

AGE 15+

Dates: Summer

International high school students in the U.S. have many obstacles to overcome when planning to attend an American college, including English fluency, standardized test scores and knowledge of the U.S. higher education system. Our TOEFL/SAT Preparation program is designed to give students the support they need in all of these areas.

Developed especially for rising juniors and seniors in high school, the program immerses students in a combination of classes, workshops and college visits with an advanced, content-based curriculum to prepare them for college success! Held on the campus of Lock Haven University in the safe and friendly town of Lock Haven, Pennsylvania, our program gives students the valuable opportunity to use and explore the facilities of a major university for the duration of the program.

Students will benefit from weekly college workshops on topics such as selecting the right college, writing the admissions essay, and preparing for an admissions interview. Each student will also attend a core English skills class to develop advanced, college-level skills in listening and speaking. Our program also includes a test preparation class focusing on TOEFL or SAT preparation (based on the student's choice). Finally, college visits to respected area institutions will give students a first hand look at a variety of college campuses including:
