Rossall School Main Building

Rossall School was founded in 1844 and is one of the UK's leading co-educational boarding schools. Located on the picturesque coastland of the North West of England, the school offers students a beautiful setting with access to a nearby beach. This region of Britain is steeped in cultural and national heritage, with the Lake District and Yorkshire Dales National Parks close by. The school is less than one hour from Manchester and Liverpool airports. Rossall School's original ivy-clad historic buildings are clustered around the campus, with the Summer Library at its centre. The accommodation has been modernised in recent years and the school's extensive campus now includes an impressive range of facilities within a safe yet stimulating environment.
